

Schedule & Field Assignments

- All times are when teams need to be at their assigned traps and prepared to shoot.
- If an athlete does not report to the assigned trap by the scheduled time, he/she will have to be moved to the final squad out.
- The coach will affix pre-printed student labels (supplied and picked up at the coach check-in) containing the athlete information on the scoring sheet to form a squad at the trap field. Session 1 labels will be a different color than Session 2 labels. Please use the corresponding labels for each Session.
- Novice will shoot 75 targets (Session 1 = 50 and Session 2 = 25), Junior Varsity and Varsity will shoot 100 targets (50/50).
- Squads for Session 2 must be comprised of the same athletes and squad sequence as Session 1.
- After the starting time for each day, all starting and completion times are estimated.
- It is important to be prepared to shoot immediately after the previous team completes their round.
- Scores will be posted in the clubhouse and online at championship.mnclaytarget.com
- Numbers in parentheses (00) indicate shooter quantities.
- Coaches need to squad Novice shooters separately (75 targets) from JV and Varsity to prevent short squads on last rounds.
- Fewer than five shooters will be combined with other members from other teams to form complete squads of five.
- Teams should arrive and check-in at least 1.5 hours before scheduled shooting time.
- Coaches must check-in at the clubhouse prior to first scheduled shooting time.
- Athletes must check-in with their team at their assigned field. They DO NOT need to check-in with tournament officials.
- No athlete registrations or substitutions are allowed.
