I have something to say about this report

Traffic Impacts

-Highway 29 lane shifts (all traffic shifted to the west bridge)

-Expect delays during peak traffic times

-Intermittent daytime lane closures on I-94

CURRENT ROAD CONSTRUCTION EFFECTS

Routes Impacted by Construction:

- Participants traveling West on I-94 will experience traffic delays due to reduced lanes and bridge construction at Alexandria Exit 103
- Participants traveling South on Hwy 29 from North of Alexandria will experience traffic delays due to reduced lanes starting at 34th Avenue (near Alexandria Target Store)

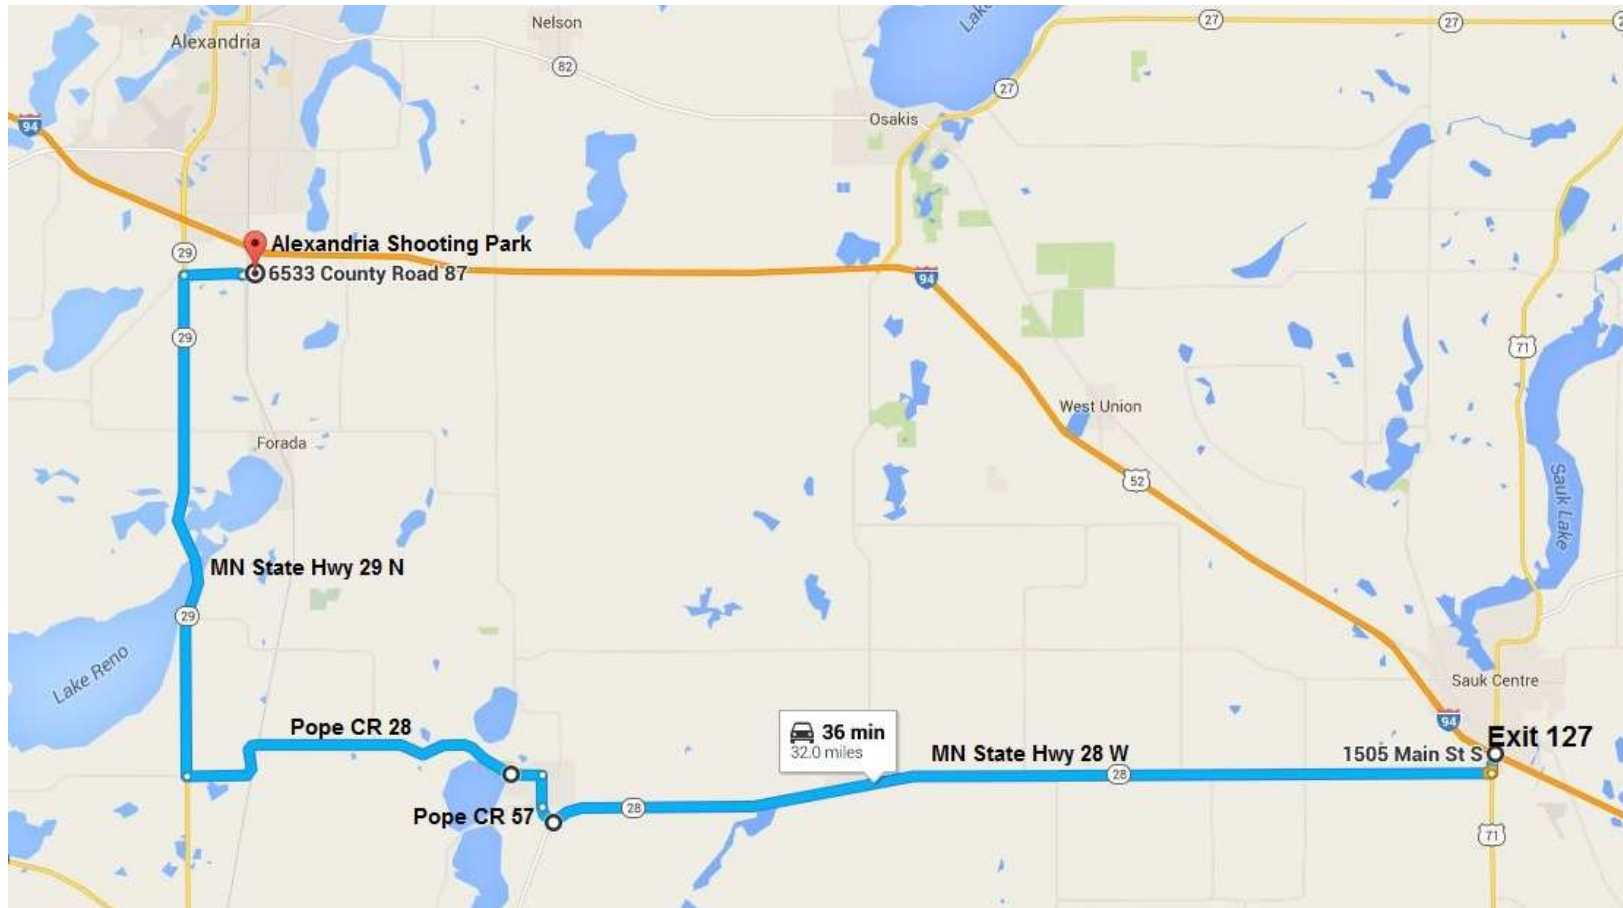

Routes NOT-Impacted by Construction:

- Participants traveling East on I-94 may experience minor delays due to bridge construction at Alexandria Exit 103
- Participants traveling North on Hwy 29 from South of Alexandria will not have delays
